Many of our learners are or have been supported by mental health services; however carers, health professionals, students and friends and family also benefit from learning with us.

How many courses can I take?

We recommend you choose courses that will be most relevant and of benefit to your health and wellbeing. This will usually be up to a maximum of 5 courses per term.

I'm currently supported by mental health services. Do I need a referral?

No, we don't accept referrals. If you're supported by mental health services, they may tell you about the College and some of the courses available. However it's your choice to enrol and learn with the College.

Can I bring someone with me?

No, you don't need any qualifications to learn with us; nor will you have to take any tests.

How many other people will be on the course with me?

We try to limit the amount of learners to around 10 – 12 per course, as we find learners benefit from smaller sized groups. However, due to circumstances and demand this may vary occasionally.

What happens if I don't attend part or the whole of the course?

Many of our courses are oversubscribed. ***If you are unable to attend, it's important to let us know via phone or email at the earliest opportunity*** to allow us to offer the place to another learner. ***You should be aware, that if you don't attend 2 or more sessions your place on future courses will be at risk and may be offered to another learner.***
