</tbody>
</table>
it is our aim to support you to use those services

we can support you to use physical and mental health services in your community

we can guide you to the right service for you

because we are a specialist service you might not need our support

you can use your local health and social care services if you do not need our support
how can

I think I need support with managing how I feel

I would like an assessment for autism

I need support with my hospital visits
I need my medication reviewed. I don’t think it’s helping me anymore.

I have problems swallowing when I eat.

I want support to be able to stay in my own home.
together we can achieve

a positive future
reaching my goals
more control in my life
my recovery
a meaningful day
more choices
